## Announcement of PMIC product status change

Our valued Distributors,

Thank you for your continuous support on our products.

We would like to announce here that the status of some Power Management ICs and for which we have not received any purchase order for a long time is changed to "Non-Promotion products".

1. New "Non-Promotion products"

Category	Product Name
DC/DC	R1203L, RP502L, RP502Z

2. What is "Non-Promotion products"?

- Production of these products is continued for the moment. (NOT discontinued now)
- These products will be discontinued in the near future. New adoption is not recommended.
- New purchase orders or sample orders will not be accepted.

Please also refer to the following discontinued products list on our website.
