

INTEGRATED SILICON SOLUTION, INC.

## Process Change Notification

**Date:** May 25<sup>th</sup>, 2022

**Change Notification No:** PCN2022-0031

**To:** Valued Customers

**From:** ISSI-Integrated Silicon Solution, Inc.

### Description of the Change:

ISSI will no longer use tube packaging to ship Flash products in 16 pin 300 mil SOIC package (package code "M"). We will continue to ship this package by tray (part number suffix -TY) or in tape and reel (part number suffix -TR). There is no part number suffix for tube packaging.

### Reason of the Change:

To optimize backend operation efficiency as majority of the shipments are by tray or tape and reel packaging.

### ISSI Part Number Change:

No part number change is involved here.

### Affected part numbers are as followings:

#### Following ISSI base part numbers in 16 pin 300 mil SOIC package (package code "M")

IS25LP016D, IS25WP016D  
IS25LP032D, IS25WP032D
