

INTEGRATED SILICON SOLUTION, INC.

Product Change Notification

Date: November 15, 2013

Change Notification No. LP DRAM 128M

To: Valued Customers

From: ISSI (Integrated Silicon Solution, Inc.)
1623 Buckeye Dr.
Milpitas, CA. 95035
USA

Affected Part Numbers:

IS42VM16800G-75BLI
IS42SM16800G-75BLI

Description of Change:

Due to SK Hynix EOL their 80nm DRAM process, ISSI would like to inform you that the 128M LP DRAM products listed above will be EOL by March 31st, 2014. ISSI will provide new device to you with PSC 63nm process which will be available at 2H, 2014. This new device retains its original function.

Rationale for Change:

SK Hynix will exit DRAM foundry business for their 8" 80nm DRAM process.

Schedule:

Last Time-Buy Date (LTB):	March 31, 2014
Last Time-Shipment Date (LTS):	June 30, 2014
