Last Time Buy Date:	30 Jun 2021
Last Ship Date:	30 Jun 2022
Contact information:	Contact your local ON Semiconductor Sales Office or Customer Service Representative.
Type of notification:	Customers must notify ON Semiconductor (<PCN.Support@onsemi.com >) in writing within 90 days of receipt of this notification if they consider the discontinued product to be "Sole Source." ON Semiconductor and the customer may negotiate an appropriate End-of-Life.

Description and Purpose:

ON Semiconductor announced on February 3, 2020 its intent to explore the sale of its manufacturing facility in Oudenaarde, Belgium. To ease the transition in a mutually beneficial manner, ON Semiconductor wishes to collect from its customers their product "All-time-needs" as early as possible to either timely plan the transition of its replacement part to another factory or to plan enough capacity within the current facility for building the Last-Time-Buy volume for products that will not be transferred to another factory.

ON Semiconductor wishes to promptly inform its customer of its intent to exit this small portion of its overall portfolio so that its customers may plan appropriately and effectively for replacement devices.

ON Semiconductor has provided a list of replacement devices, where available, to aid in this process.

PLEASE NOTE: ON Semiconductor may implement minimum order quantities or dollar amounts based on inventories available. Also, Devices on this Product Discontinuance become NCNR (Non-Cancelable, Non-Returnable).

For questions or concerns regarding this notification, please contact your local sales office or customer service representative.
